NOTICE OF THE UNITED STATES POSTAL SERVICE REGARDING
REVISED COVER SHEET TO THE PROPOSAL ONE PETITION -- ERRATA
(June 26, 2017)

It has come to the attention of the Postal Service that the first paragraph of the original cover sheet to the Petition regarding Proposal One, filed on June 7, 2016, incorrectly indicated that the proposal was discussed in greater detail “in the attached text and spreadsheets.” The reference to spreadsheets was inadvertent, as no spreadsheets accompanied the filing. A revised version of the cover sheet, removing the reference to the spreadsheets, is attached.

Respectfully submitted,

UNITED STATES POSTAL SERVICE

Docket No. RM2017-5

PETITION OF THE UNITED STATES POSTAL SERVICE REQUESTING
INITIATION OF A PROCEEDING TO CONSIDER A PROPOSED CHANGE
IN ANALYTICAL PRINCIPLES (PROPOSAL ONE)
(June 7, 2017)

Pursuant to 39 C.F.R. § 3050.11, the Postal Service requests that the Commission initiate a proceeding to consider a proposal to change analytical principles relating to the Postal Service's periodic reports. The proposal, labeled Proposal One, is discussed below, and in greater detail in the attached text.

Proposal One seeks authorization to change the methodology used for measuring revenue and pieces in the Revenue, Pieces, and Weight (RPW) Report for insured, collect on delivery (COD), and registered extra services on domestic mailpieces bearing PC Postage indicia. Census sources of transactional extra service data under this proposal would replace corresponding ODIS-RPW statistical sampling estimates. If this request were approved, almost all insured, registered, and COD data
